Abstract

Growth of bank represents growth of economy. Banking is the pillar of Indian Economy. Without adequate Banking facilities, financial sector will collapse. The more the safe, secure and progressive is Banking system more is the stable financial sector. Banking also becomes important for women. For women independence, financial independence is necessary. For financial independence, banking by women is imperative. Women who have bank accounts, do financial transactions are more likely to be independent and active. It also means they are active contributor to the economy and thus are empowered. This is the co relation of banking and women empowerment and its importance is obvious. If women need to be empowered, they should have more access to banking facilities in the country. Banks certainly do play an important role in women empowerment.

Keywords: Women, Banking, Finance, Empowerment

Introduction

Banking is the pillar of Indian Economy. Without adequate banking facilities, financial sector will collapse. Growth of bank represents growth of economy. The more the safe, secure and progressive is Banking system more is the stable financial sector. Banking also becomes important for women. For women independence, financial independence is necessary. For financial independence, banking by women is imperative. Women who have bank accounts, do financial transactions are more likely to be
